

## Message from The Chair of Governors Swinefleet Primary School

Hi there,

My name is Louise Shires and I have been the Chair of Governors at Swinefleet Primary School for the past three years. Although some terms have been demanding on a working parent like myself, it certainly brings many rewards. I have accepted the role for a further three years and I am truly excited about the current changes that are taking place within the School.

I am sure you will join me in congratulating the New Head Teacher Jill Marshall for her dynamic start at the School. Already we have a fantastic new website that the children can be proud of.

The philosophy of the school is 'Fulfilling potential – rewarding success' which I have already seen firmly embedded in school recently and on the website as the children are beginning to celebrate their achievements and demonstrate pride in their school.

I feel honoured to be part of Swinefleet Primary School and I look forward to the future.

Yours sincerely

Louise Shires

The full Governing Body meets termly, sometimes more often, to discuss the progress of the school and assist the school by being a 'critical friend'.

Additional committee meetings take place regularly covering areas within the school that need scrutiny and governance.
