assembly today.
Nomination certificates
for our Awards
Afternoon will go out
later in the week.

Quote of the Week

"There are no
strangers here; Only
friends you haven't yet
met."

WB Yeats

This Week

The Year 6 children in Sapphires received their SATs results and they have all done very well. They have been a credit to themselves, their families and the school. They should all be very confident as they move on to their new school that they can do very well. If you have read the newspapers you will be aware that the tests were very difficult this year and many schools have struggled and the results are much lower than in other years. We have not found this at Swinefleet and that is down to the hard work of the children and the staff.

Diamonds and Sapphires continue to work on their production. Miss Ashton and Miss Haver have been drafted in to make props and all the children have got letters about their costumes. If you think your child should have a costume and they haven't got a letter have a look in their bags! If you are not sure what is required see Miss Bishell-Wells or Miss Parkin who will be happy to help.

Emeralds have welcomed Mrs Vause who has started working with them full time. She will be working at school permanently and will be a real asset to the team.

In Rubies they continue to work hard on their under the sea topic and are looking forward to their visit to Pink Pig Farm.

Have a great week.

Mr May

Transition Day

The Year 6 children didn't come to Swinefleet on Monday but all went off to their new secondary school – Axholme Academy. They went straight to the school bus and off to school on their own. They had a fantastic time and are all ready to leave us behind for pastures new. No doubt they will be back in September wishing they were still at Swinefleet!

Those children left at Swinefleet worked with their new teachers and Miss Bishell-Well spent the day being headteacher.

Mrs Kidd, the new teacher, was pleased with her class and she is very much looking forward to starting in September.

Everything is in place for a really productive start to the new year.
