September
Back to School!

Quote of the Week

"Inaction breeds doubt and fear. Action breeds confidence and courage. If you want to conquer fear, do not sit home and think about it. Go out and get busy"

Dale Carnegie

Last Week

It is with much sadness but also with happiness and pride that I write my final newsletter. I have had a truly wonderful three years at Swinefleet. There have been some ups, some downs but also an awful lot of laughs. I will always look back on my time here with fondness. I know that the school is being left in good hands with Miss Bishell-Wells and I wish her and everybody associated with the school success for the future.

Sapphires and Diamonds spent all of last week preparing for their production. They have all thrown themselves wholeheartedly in to it and most importantly have had a great time putting it all together for you.

Rubies have been looking at responsibility. They have been learning how to tidy up after themselves! Remember that over the long summer holidays!

Emeralds have been planning and preparing a short story for a writing competition. They have done story boards, planned a first draft and are now trying to put the finishing touches to their work. If they are successful they may get their work published! Fingers crossed. Children in Rubies and Emeralds had a fantastic time at Pink Pig Farm. They learnt all about where our food comes from and the conditions in which animals are kept.

Have a great week and a great summer holiday.

Mr May

FOSPS

A big thank you to all the members of FOSPS. They have once again worked tirelessly on behalf of the children throughout the year and have been able to present the school with £500! I'm sure Miss Bishell-Wells will have fun spending that!

This Week's Data Whole School Attendance

94% - Requires Improvement
Well done to Rubies with an attendance of 99%.

They will get 5 minutes extra playtime! Well done them!

Due to the Sapphires and Diamonds production we have not had a celebration assembly this week.
