

EAST RIDING OF YORKSHIRE

# Swinefleet Primary School

*'Fulfilling Potential, Rewarding Success'*

It has been a very busy week again and I have been out to lots of meetings based on the changed curriculum, assessment process and updates to Special Educational Needs.

Sapphires had 'Goole on the Road' come in for the morning last Thursday. They learnt about different careers and filmed what they had learnt. Characters were created which will feature in the film and the children are looking forward to the completed piece. It was a great opportunity for the children to be hands on and use technology in their learning. A special thanks must go to Goole Academy who funded the project for us. Today, is the launch of our Space Week which the children are very enthusiastic about. I hope as many of you as possible are able to join us for our space workshop on Friday afternoon.

Unfortunately, we have had to say goodbye to the Corbett family who have moved house. We wish them good luck at their new school and thank you to everybody for giving them a great send off.

**Remember to follow us on our new twitter account @Swinefleet\_Pr**

## Rubies (Reception and Year 1)

The Rubies have been looking at animals and where they live. They all picked an animal that could be a pet and recorded what they needed and how they should be looked after. All of the children wrote why they liked their chosen animal and I was very impressed with the writing produced.

## Rubies (Nursery)

The Nursery Rubies have been learning about Paw Patrol and Riley was especially keen to tell me about all of the characters.

They have had challenges throughout the week such as writing a dog tag for their favourite character or creating a police car that the characters use.

***Over the next few weeks we will be developing the outdoor area though this is a lengthy process. If anybody has any tree stumps or knows of someone who does then please let us know.***

## Diamonds

During their Ancient Egypt topic this week, the Diamonds have been creating mummified art. They have all created a mummy version of themselves and learning about the mummification process. In English, they had a visit from the Question Queen! Mrs Harrison as some of you may know her, was prancing around the classroom in a crown expecting to see perfect questions with capital letters and question marks of course.

## Sapphires

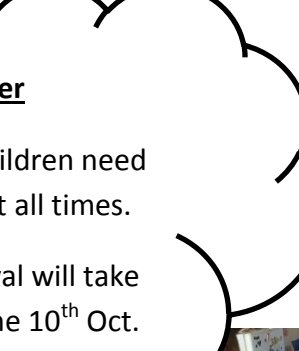

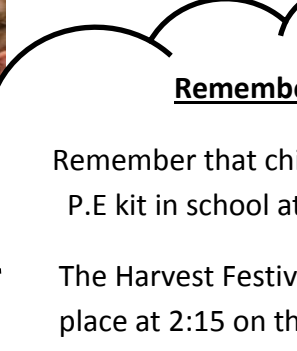

Sapphires have been exploring the digestive system further and were using spaghetti hoops with tights to do this! They were looking at the process of food moving through the digestive system by creating their own model and now they are busy writing a story of the journey through the body.

### Remember

Remember that children need P.E kit in school at all times.

The Harvest Festival will take place at 2:15 on the 10<sup>th</sup> Oct.

Using Numicon Maths

Egyptian Artwork

Mark making about Paw Patrol

### Thank you

Thank you to those of you who have already donated to the Harvest Festival. All donations will be given to mission trinity. Tinned food, pasta and jars are all good options so please get looking through the cupboards.

### Assembly Champions

Unfortunately my I-pad is not very well at the moment and I am unable to download the assembly champions. Well done to: Jacqueline, Lily T, Summer and all of the children who received Dojo certificates.

### DINNER MENU

Tues	Pork hotpot, broccoli and cauliflower.	Lemon Drizzle/custard or fresh fruit or yoghurt.
Wed	Chicken and tomato pasta bake with garlic bread and winter salad.	Chocolate Krispy Slice or fresh fruit or yoghurt.
Thurs	Ham and cheese pizza, potato wedges and baked beans.	Milkshake and fairy buns or fresh fruit or yoghurt.
Fri	Breaded salmon fillet with potatoes wedges and veg medley.	St.Clement's Shortcake with custard or fresh fruit or yoghurt.
Mon 10th	Sausage and cheddar squares, sauté potatoes and baked beans.	Banana custard or fresh fruit or yoghurt.

Please note these two as they are different than originally listed.

If you would like to share something with us please add a note to our comment box in the hall. We also welcome any suggestions as working together is what will continue to improve our school further.

### Attendance

99%

### Outstanding

Every class got a roll in our attendance game. Well Done!

### House Teams

This week Snowdon achieved the most Swinefleet tokens.

Well done!
